

Entertainment for all the family

FROM THE CHAIRMAN:

I would like to welcome you to the 2018 North Devon Show as the society Chairman, having been elected to post at our AGM in February 2017. I am honoured to be able to take on this position, especially as I have been involved with the show from a very tender age; I can still remember helping my dad set up the cattle ties at the old Instow show ground in the late '70's.

This years' event looks like being another busy affair and we have had to extend the Food Hall in order to accommodate the number of exhibitors wishing to attend to demonstrate their wares. The Craft marquee and Arcade are also set to be bursting at the seams and, together with our field exhibitors and Livestock demonstrations and classes, we look forward to having the opportunity to showcase North Devon and its produce to both locals and those from outside of the region alike.

We now boast around 300 members, all of whom are welcome to enjoy the hospitality of our Members enclosure; what better vantage point to meet friends, grab some refreshment and watch the Main Ring attractions through the day? Becoming a member of the society also means that you are helping to support our work as a charity; our main objective is to advance public education and awareness of agriculture and related subjects, as well as making disbursements to charities within the Society's local area.

Please contact the Show Secretary with any questions you may have relating to your future membership of the society and I look forward to seeing you at the 2018 show.

Kindest regards

Mark Ley, Society Chairman

Incorporating Instow & Torrington Shows

MEMBERSHIP 2018

Our showground is completely on the level in an area of approx. 50 acres with adjacent car parking of 42 acres set in a plain, surrounded by the rolling Devon hills.

The main aim of the show is to support agriculture. Over the 50+ years that the show has been in existence the support of our local business community has enabled us to build a reputation second to none.

Wednesday 1st August 2018

The Show Society's objectives are to advance public education and awareness in agriculture and related subjects; and to make disbursements to charities within the Society's local area as defined in the Annual Show schedule.

SHOWGROUND:

Umberleigh Barton Farm
Umberleigh, Devon, EX37 9DX

Have you ever thought about supporting your local agricultural show by becoming a member of the North Devon Agricultural Society? In doing so you would be supporting British Agriculture and your local community.

MEMBERSHIP BENEFITS:

GENERAL MEMBERSHIP:

£28.00 per annum

- Free entry to the Show for the member, 1 adult guest and 2 children (15 years and under)
- Free parking for one car in the forward members' area, closer to the showground.
- Entry to the Members' Enclosure & lawn with a view over the Main Ring and excellent cloakroom facilities.
- Lunch menu available in the Members' Marquee, overlooking the main ring, offering members the opportunity to purchase a buffet lunch and to eat while watching the main ring events.
- Lower exhibiting fees in livestock classes
- Reciprocal agreement with Devon County Show for discounted admission tickets
- The right to one vote at the Annual General Meeting

SINGLE MEMBERSHIP:

£15.00 per annum

- Our Single membership allows all the benefits listed above but only free entry for the member.

Please note that a subscription is for Membership of the North Devon Agricultural Society and in the event of a cancelled show, the fee will not be refunded.
