Supporting British Farming & the Local Community

The North Devon Show is a celebration of all things Rural, our traditional one day show will have something for everyone and proves to be very popular with traders, the public and exhibitors alike. The showground at Umberleigh Barton Farm is a 50 acre site with adjacent car parking of 42 acres and good access onto the A377.

The main aim of the show is to support agriculture and to provide a shop window for anyone involved in the economy of North Devon. Recruiting your support through sponsorship is vital to us and will contribute towards the future development of our fabulous show.
